EDUCATION

B.Tech | Computer Science Engineering

9.89 CGPA

2020 – Present

Chitkara University, Punjab

12th Class Boards | CBSE | PCM

93.6%

2020

Greenway Modern School

PERSONAL PROJECTS

Instagram Clone Application

[Source Code](#)

- Developed the clone of Instagram using **Kotlin** and **Firebase**.
- Created **Signup** and **Login Page** using **Firebase Authentication**.
- Implemented separate fragments for **Search**, **Profile Editing** and **Post Image** feature .
- Used **Picasso** and **Crop Image Dependencies**.
- Used **MVVM** architecture for clean code.

Meme Share

[Source Code](#)

- Used **Volley Library** to fetch random meme form reddit.
- Implemented **Share meme** feature to share memes .
- Used **Glide library** for **caching** and rendering memes.

ACCOMPLISHMENT

[3 Star Codechef](#)

[5 Star in Problem Solving in Hackerrank](#)

[GFG Practice 300+ Points](#)

SKILL

Android Development

Operating System

Kotlin

C++

DBMS

Google Cloud Platform

Firebase

Data Structures

Java

Glide

OOPs

AWS

CERTIFICATIONS

- OOPs in Java by Coding Ninjas
- AWS Academy Graduate
- Appreciation Certificate for DSA Learnathon
- Java Desktop Application using JDBC
